Luis – is it George Kostyrko, Director of Public Affairs – CA SWRCB? We have been informed that all inquiries should be directed to the following webpage:
<http://www2.epa.gov/goldkingmine>.

I am planning to call Mr. Kostyrko directly and provide him this resource since we just got an email forwarded from him requesting more information on the spill response.

Hi Luis,

The Water Quality Manager at Metropolitan Water District just called me to tell me they are getting a lot of press calls concerning the Gold King Mine spill. He wanted to know who his contact at EPA should be. I thought I'd try you since we were just talking about this today. Do you know who he should contact at EPA Region 8?
